- Good communication and copywriting skills

### **B. Web Developer**

Skills and experiences

- Ability to work under pressure
- Time management to meet deadlines
- Work in a team environment
- Passionate in programming
- Experience in Wordpress
- Experience in HTML, CSS, JQuery

### **C. Photographer**

Skills and experiences

- Time management to meet deadlines
- Ability to work under pressure
- Been in the photography field for more than 1 year
- Familiar with the Adobe CC platform
- Creative and outgoing personality

### **Our offer to you**

- Building up a professional portfolio
- Flexibility to work either at home or in-house

- Working on your own in a cozy co-working space
- Picking up extra jobs
- Learning from our experienced staff
- Attending design workshops led by our awarded Art Director Karel Wohlnick
- Letter of Recommendation

### **How to apply**

Register your details by filling in the form provided on the work with us page, upload your CV, upload a link of your portfolio and your photo. We will review the details and if you meet our Eligibility Criteria, we will invite you to our studio in New Lynn if you live in Auckland, or online interview, otherwise.
